Name Prefix / Suffix Registration Form

The purpose of name prefix / suffix registration is to prevent the use of special "Registered" names by anyone except the registered owner of that name. Once a prefix / suffix is registered the use of that name is restricted to the registered owner.

The Welara Registry offers three (3) different types of **Name** registration which include

(1) Farm / Ranch name registration example usage. If your farms name was "Dragon Woods Farm", you could use the registered prefix / suffix "Dragon" or "Dragon Woods" in future horse / pony registrations with this Registry such as "Dragon Woods Moonlight Dancer". Available **ONLY** to the legal owner(s) of a farm / ranch.

(2) Owners name / Initials registration example usage. If your name was "David W. Ferguson", you could register the name "Ferguson's" and use the registered prefix / suffix in future horse / pony registrations with this Registry such as "Ferguson's Moonlight Dancer". Or you could register your initials "D.W.F." and could be used in future horse / pony registrations with this Registry such as "D.W.F. Moonlight Dancer". Available **ONLY** to the person(s) signing this form.

(3) Stallion name registration example usage. If your Stallion's name was "Dark Shadow", you could use the registered prefix / suffix "Dark" or "Shadow" in future offspring your stallion sires such as "Moonlight Shadow" or "Dark Meadows Mystery". Available **ONLY** to the legal owner or breeder of the stallion. Stallion **must** first be registered with this Registry.

Important Guidelines: Keep your prefix / suffix short in length. This is important when it comes time to register future offspring using this prefix / suffix since the **total** amount of letters may not exceed **(32)** including spaces, this includes your prefix / suffix plus the rest of the animals name.

Only specific letters / symbols are accepted which includes the standard alphabet, numbers 0 to 9, and the symbols ~ - ! ' ^
You may register multiple prefix / suffix names at \$20.00 each. Each name must be applied for independently on a separate form. Be accurate when filling out the application below. Print or type clearly, and check your spelling. Prefix / Suffix names are case sensitive so clearly indicate capital letters.

Certificates of animal registration issued by the Welara Registry that contain a registered prefix / suffix will be indicated by the symbol ®
